**Location**

Myrtle Beach is located on the coast of South Carolina. It is the center of a 60 mile stretch of beaches known as the "Grand Strand." The city's population is approximately 32,000 people. The tourism industry makes up the majority of the economy in this area.

**Disaster**

Hurricane Florence hit land in North Carolina on September 14, 2018. The rain from the storm at some places was over 30". All of that rain water went into the rivers which flow through South Carolina to get to the Atlantic Ocean. Myrtle Beach, SC experienced their flooding event about 10 days after the storm passed. Many homes were flooded with several inches to several feet of water in the living space of their homes.

**MDS**

MDS Volunteers will be staying in RV spaces at the Cypress Camping Resort. Work will include repairing drywall, installing flooring, kitchen cabinets and bathroom vanities, painting, and installing trim work.
