

RIO GRANDE, TX RV

Flooding – June 2018

Location

The Rio Grande Valley is located in the southernmost tip of Texas on the northern bank of the Rio Grande river, which separates Mexico from the United States. This region's population is one of the fastest growing in the United States.

Two popular tourist destinations in the Rio Grande Valley are Santa Ana National Wildlife Refuge and the Port Isabel Lighthouse.

Disaster

In June 2018 a sudden severe storm dumped heavy rains on the mesas north of McAllen, TX, and swept into the tributaries to the Rio Grande River. This freak storm created flooding where not typically expected, as the affected homes were not in a typical flood plain.

MDS Response

MDS RV volunteers will be staying at the Country Sunshine RV Resort in Weslaco, Texas.

Volunteers will be focusing on interior repair work.

Directions

Use GPS to direct you to the Country Sunshine RV Park. The day before your arrival, contact the project director or office manager for details regarding checking in, setting up, etc.
